Ford Extends Condolences to the Family of State Rep. Eddie Washington

CHICAGO – “It is with my deepest sorrow to learn of the death of Representative Eddie Washington, a friend and colleague in the Illinois House of Representatives,” said State Representative La Shawn K. Ford this morning. Representative Washington served the State of Illinois and the people of the 60th Legislative District in Waukegan and surrounding areas of Lake County since 2003. State Rep. Ford also said, “Representative Washington served on many committees, but his love for Illinois’ senior citizens led him to chair the Aging Committee, where he worked to secure justice and equity for all senior citizens of Illinois. Rep. Washington was a great leader in the House and always stood for the less fortunate in our society. I will remember Representative Washington as a fighter for justice. My deepest condolences are extended to his family and the people of the 60th Legislative District on their tremendous loss.”
