**CHICAGO, IL-** State Rep. La Shawn K. Ford (D-Chicago) is urging members of the local media to join the community as they celebrate Black History Month with Chicago's very own Tuskegee Airmen for a private community screening of the movie "Red Tails". After the screening, community members will have the opportunity to meet and greet the Chicago Chapter of the Tuskegee Airmen. The community screening will also include a \$100 cash prize for the best dressed 70's outfit.

"It is going to be an honor to celebrate Black History Month with living legends such as the Tuskegee Airmen," said Ford. "This is just another example of great things happening on the West side of Chicago. We have the opportunity to honor Chicago's own legends. We will also pay special tribute to Airman, Pastor, and businessman Bill Winston, for both his service and commitment to the United States and to the community. Not only will the community be entertained with a great movie, there will be a live history lesson we will never forget."
