

State Rep. La Shawn K. Ford

is looking for teachers and students for his

TUTOR MATCH PROGRAM

A large black silhouette graphic on the left side of the page. It depicts a man in profile, looking down at a woman who is also in profile, looking down at a document or book she is holding. The man's silhouette is larger and positioned above the woman's.

State Rep. La Shawn K. Ford is looking for state-certified teachers and administrators willing to volunteer one hour per week at a public library to help students improve in core academic subjects, explore interesting topics that make learning fun, and reinforce concepts taught last school year.

Educators who are interested in participating, and students looking to be matched with a qualified tutor, should call Ford's office to register. Once we have a match, we will call you to set up the session!

NOTE: *Educators who wish to participate must be able to verify employment and show proof of a clean criminal background.*

Knowledge is Power!

For more information, please call State Representative Ford at his
Constituent Service Center, (773) 378-5902.
