

# State Rep. La Shawn K. Ford encourages you to get your High School Diploma or **GED**

Dear Friends,

Obtaining a GED opens a world of opportunities. People who work hard to earn GEDs get and keep higher paying jobs and earn many times more money than those who do not. This is a decision for yourself, your family and your future.

If you are ready for this challenge and a brighter future, I invite you to contact my Constituent Service Center at (773) 378-5902 for more information. Included is a list of some of the GED programs in the area, but my office can help you find the program that works best for you.

Sincerely,

A stylized, handwritten signature in black ink, appearing to read 'La Shawn K. Ford'.
